

HEAD-Starts Tennis

HEAD introduces a mini-tennis set that includes all the equipment needed for easy teaching and learning. Comprised of several types of teaching aids, this equipment allows children to start playing and enjoying tennis at an early age. HEAD is committed to the success of junior tennis and, along with USPTA, enthusiastically supports the Little Tennis program.

- (A) HEAD Drill Cones (585001)**
- Ideal for all types of drills and exercises
 - Sold in a pack of eight – includes two sets of 9", numbered and color-coded cones

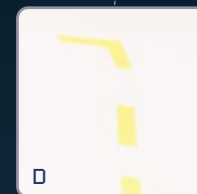

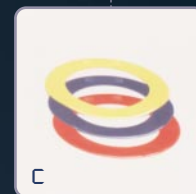

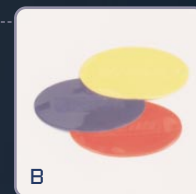

Training Balls

Penn makes it easy to have success at any age with two styles of training balls

- (E) Pro Penn Stars (526010): The ultimate pressureless teaching ball for both children and adults. The low-compression core slows down the game with a consistent bounce for easy learning. Available in bulk and one-dozen mesh bag.
- (F) Penn Foam Training Balls (585004): High-quality foam balls provide the simplest learning due to their lightweight structure and high bounce. Available in 1 dozen packages – all yellow.

HEAD offers a variety of junior racquets, featuring Andre Agassi and Gustavo Kuerten, to fit any child's needs. See the HEAD tennis catalog for additional details.

Exclusively endorsed by  HEAD recommends USPTA's instructional program 

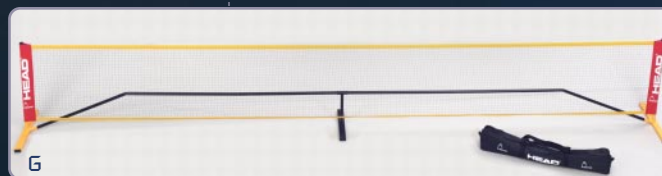

Court Markers

The perfect target or on-court marker to aid in learning

Made of extremely durable, non-slip, fade-resistant rubber

- (B) Penn Ball Spots (585002): 10" spots sold in 6-packs of three assorted colors
- (C) Penn Ring Targets (585003): 15" rings sold in 6-packs of three assorted colors
- (D) HEAD-Starts Court Lines (585007): sold in packs of 8 lines and 4 corners – all yellow

(G) HEAD-Starts Tennis Nets

Revolutionary mini-net design allows small children to feel like they're on a real tennis court

Easy to set-up and take down – no tools, sand or water needed

- HEAD-Starts Tennis Net 17' (585005)
- HEAD-Starts Tennis Net 10' (585006) – not pictured
